QUININE WINE OF LABARRAQUE

unique preparation of this kind, approved by the Academy of Medicine of Paris, is the condensation of all the active principles of the Cinchona bark. A few grammes of the Quinine produce the same effect as several kilos of Cinchona. (ROBERT) Professor at the School of Pharmacy of Paris.) I sought for a long time a powerful tonic, I have found it in your Quinine which I consider to be the restorative par excellence of weakened constitutions.

The Quinine WINE of Labarraque is the most useful complement of Quinine in the treatment of fevers. Its effects are particularly remarkable in old fevers and in paludal ague.
